## Paint Me A Rainbow Campaign - within Western Australian Schools

April each year is the month dedicated to Global Autism Awareness.  
The 2nd of April is Global Autism Awareness Day.

Each April we run our 'Paint Me A Rainbow' Campaign within Western  
Australian Primary Schools.

Here is everything you need to know about our bright, fun and successful  
campaign and how you and your school can become involved.

**When:** During the month of April each year. Your school can run the  
campaign for a day, a week or for the whole month (you choose)

**How:** Your school and your 'Campaign Manager' will be provided  
everything you need to host a Paint Me A Rainbow campaign, including  
Autism Awareness merchandise to sell, colouring in competitions,  
marketing material and further information on fund raising ideas.

**Why:** You will be spreading awareness and acceptance for children within  
your school, community and state that are living with Autism. Your school  
will be hosting their own Paint Me A Rainbow campaign to also raise funds  
for your school to use to better the lives of children with autism. Your  
funds can go towards - creating them a safe space, sensory area,  
education for teachers and students, support for families and so much  
more.

Together, we can  
create a  
positive difference!
