1.0 FTE (Fulltime) 2019**

Yakanarra Community School is an Independent school, established in 1991, that caters for children from pre-Kindy through to Year 10.

The school is situated within Yakanarra Community, which is approximately 120 kilometres south-west of Fitzroy Crossing, on the edge of the St Georges Ranges. The current site was selected because of its traditional and sacred significance to the Walmajarri people.
