

AISWA Terms and Conditions – AISWA Online Course (On Demand PL event)

A cancellation penalty will apply to all paid on-demand AOL PL Courses as per the AISWA Terms and Conditions for registering (below). Please note all Terms and Conditions.

AISWA Online Course Participation Terms and Conditions

1. Attendance/completion records: When registering for an on-demand AOL PL Course, the associated nominal PL hours will be recorded by AISWA. AISWA does not pass this data to the TRBWA on your behalf. It is each participant's responsibility to download a copy of the AOL course information, or course 'badge' information, for their own records (to provide to the TRBWA if required).
2. PL hours: Course completion is recorded by AISWA (i.e. attendance and nominal hours). Participants must log-on to the AOL platform using their given names to confirm online attendance (participation in a course). For *members only*, a record of a member's attendance/course completion will be *visible to any member's school administration*. However, a badge will be awarded to all member and guest participants completing the course. The nominal hours of PL can be accessed by all participants via their recorded and displayed Credly badge. Access to this badge is ongoing at https://www.credly.com/users/sign_in.
3. Attendee Swaps: These are not permitted. Only the registered participant can attend the online course.
4. **Privacy disclaimer:** Credly badges are in the public domain, allowing access by any member of the public from the badge. It is each attendee's decision whether or not to add the badge to their public or private accounts (such as email signature of LinkedIn profile). Badge earners' personal data is held on the Credly platform and subject to the Credly privacy policy. **AISWA does not share users' personal data with Credly. It is the responsibility of each user to make this decision.**
5. IT Acceptable Use: Compliance with the terms of the [AISWA IT Resources Acceptable Use Policy](#) is a requirement while completing an AOL course.

Payment Conditions:

1. Price includes GST.
2. Payment: All transactions are cashless. All participants will pay online via credit card. Registration is confirmed when payment is received.
3. Bulk school registration: Member schools only may negotiate bulk school registration (including school invoicing) by contacting the AOL Team. Invoices will be processed by AISWA immediately. Contact OnlineLearning@ais.wa.edu.au

4. Cancellations: Cancellations will *not* be permitted due to the 'open date' and extended nature of the AOL courses.

AISWA IT Resources Acceptable Use Policy - External Users

The [IT Resources Acceptable Use - External Parties](#) defines the standard of acceptable use of AISWA IT resources and applies to all visitors of AISWA and external users who may need to use AISWA computing equipment and/or resources.
