# Welcome Message

**Chris Massey**  
EXECUTIVE DIRECTOR

Welcome to AISWA. As the peak body representing Western Australian Independent schools, we are committed to serving our member schools and providing the best possible support to grow a strong and thriving independent sector.

Our services are delivered through four directorates: Corporate Services, Communications and Business Development, Curriculum and Pedagogy, and School Programs and Services. Each portfolio is designed to offer a range of service and support to Independent schools across Western Australia.

We are now proud to present our 2025 Service and Support Directory, ensuring members can access the service and support they require. I invite you to reach out to our talented team, who are ready to assist you.

Thank you for your ongoing support.

## Acknowledgement of Country

AISWA respectfully acknowledges the traditional custodians of the land on which we operate, the Wadjak people of the Noongar nation. We pay our respects to Aboriginal Elders past, present, and emerging, as the Traditional Owners of the lands across Australia and acknowledge their continued connection to the land, waters, and community.

We recognise that a strong and mutually beneficial relationship with Traditional Owners is essential to our success and to the benefit of our community. In all our actions, we commit to fostering cultural awareness and working collaboratively towards a shared future of reconciliation, respect, and prosperity.
