Perth Waldorf School
Invites applications for a
Sculpture Teacher

Commencing on the 29th January 2018
Part-time – Approximately 0.3 FTE

Where: The school is located in a bush land setting in the southern suburbs of Perth, Australia (approx. 20 minutes from the CBD). Nearby is the popular and cosmopolitan town of Fremantle and the school is only 15 minutes from the coast. We provide a full Steiner curriculum from Playgroup to Class 12.

Who: We are seeking an enthusiastic teacher to join our wonderful team of teachers and commence with our High School students in 2018. We are a small school but our students have high levels of achievement and interest.

The successful applicant will have a passion for education, appropriate qualifications to teach Sculpture and have a willingness to adopt the Steiner pedagogy and philosophy. This position will be part time, however if you have any other qualifications in other subjects that will be viewed favourably.

Applicants must be teachers who are registered (or eligible for registration) with the Teacher Registration Board and can meet West Australian child protection requirements. Support to sponsor a highly qualified Steiner teacher from overseas will be considered.

Curriculum: In all our school years, our curriculum is complete with all Main Lessons indicated by Rudolf Steiner.

As well as the Main Lesson, the Class 12's complete their final year with the presentation of their Projects which contribute to their graduation.

As the only Steiner High School in Western Australia, classes are robust and the school is growing rapidly.
