

**Full time permanent Education Assistant positions in Bunbury and Busselton
Commencing in January 2022**

Our School

Bunbury Regional Community College (BRCC) is both a new school and a new kind of school. BRCC opened its doors in Bunbury in 2018 for students in years 10 and 11 and expanded to year 12 in 2019. In 2020 a class of year 10 students was enrolled in Busselton which is now home to year 10 and 11 classes and will expand to year 12 in 2022.

The school is deliberately small with classes of 15-18 students with a full-time teacher and education assistant. It is funded as a CARE (Curriculum and Re-engagement in Education) School and enrolls students who have experienced barriers to learning in their previous high schools.

BRCC uses Big Picture Educational design. This is based on the belief that the unique interests, needs and abilities of each student must be at the centre of their educational program.

Whilst at BRCC students are:

- encouraged and helped to develop the literacy and numeracy skills that are needed for future success;
- provided opportunities to explore and develop their interests both with their teacher in the classroom and with mentors in the community;
- able to complete interest projects, achieve their OLNA, study a range of certificates and short courses; and
- enabled to develop the academic and personal skills that will help them to create positive, productive futures beyond school.

Who do we want?

We are seeking to appoint skilful education assistants who are willing to share their interests, passions and story with the students.

We require people who can help each and every to student matter, who can see and value their culture, talents and interests, who can help them fit by modifying the school and

classroom to meet their needs and who can help them work with family and community support.

Overall, we need people who will never give up on any student.

A current valid WA C Class Driver's Licence

A current valid Working with Children Check, or the ability to provide one.
