Eton Farm PRIMARY SCHOOL

Our School's mission

At Eton Farm Education, we are dedicated to the belief that students, parents and educators are all involved in the children's education in a responsible, nurturing and supportive way.

We believe that all children:

- learn at different paces, possess unique learning styles, and can develop lifelong learning skills.
- are entitled to a safe, secure, and healthy environment.
- should be treated fairly and equitably

Our staff will strive to create a warm and inviting atmosphere, and to instill in all children a sense of self-worth whilst considering their social, emotional and physical needs.

We will stress acceptance, tolerance, responsibility and teach healthy life skills so that our children grow into confident, co-operative and productive members of society.

Our goal

To offer Parents a holistic and creative educational experience for their children.

To provide:

- Small class sizes 1:12 in Pre-Kindy and Kindy, 1:15/16 in Pre-Primary to Yr 6.
- Spacious school grounds
- Children learning at their own pace to become independent learners
- Inclusivity
- Teachers who are highly proficient.

We strongly believe that Passionate Teachers will enable Passionate Students with a love of learning and is paramount to their development.

Mode of delivery

Our mode of delivery for all learning areas is face to face interactions that incorporate authentic and concrete hands on learning. Our open plan classroom settings and outdoor areas are specifically designed for this to occur. Our expectation is that the outdoor classroom is as important as indoor learning.

Music & Movement lessons are delivered in an open studio space where the children have the ability to move and create freely. Art sessions are delivered in an open studio or outside to capture the natural surroundings.

We aim to provide a natural environment that calms the mind and provides the students with many open-ended opportunities for learning experiences that align with the Western Australian Curriculum.

We believe this develops an appreciation and understanding of nature, respect for the environment, sense of belonging and self-discovery.

Eton Farm PRIMARY SCHOOL

Educational Program

Our Integrated Educational Program we accommodate the educational needs and diversity of students fostering lifelong learning skills and freedom to explore their strengths and interests.

We aim to deliver programs that encourages cooperative and collaborative learning.

Our school and class environment support intellectual, social and physical learning processes and recognise that the child is at the centre of the program.

We aim for our programs to meet the learning needs of all students as we implement the Western Australian Curriculum and Assessment Outline.

Music & Movement Education and an Environmental Education Program will be an important part of our school's program. Visual Arts, Language and Physical Education will also be prominent.

Our Music & Movement program is based on Carl Orff's approach – Orff Schulwerk. The Orff Schulwerk Pedagogy along with music and movement has strong links with many other learning areas.
