

CLASS TEACHER – 2025

0.6- 1.0 FTE

Golden Hill Steiner School is located in the beautiful coastal town of Denmark, Western Australia, approximately 400kms south of Perth, where the forest meets the sea. Nature enthusiasts are drawn to Denmark for its unspoiled beaches, hiking trails, abundant wildlife, rolling terrain, majestic tall trees, and vibrant wildflowers.

Established 35 years ago, the school has grown to offer a full Steiner curriculum from Playgroup to Class 9 (Class 10 in 2026). Golden Hill teachers are supported by dedicated teacher assistants and a rich diversity of specialist teachers and programs. Our school is thriving and growing, and is situated on expansive grounds with its own creek and karri forest.

If you are an enthusiastic teacher with a desire to work with an anthroposophical understanding of child development, we invite you to apply to join our team in 2025 as a primary school class teacher. The successful applicant will ideally aspire to work with their appointed class for a minimum of 3 years.
